PROPOSED MARITIME USAGE LICENCE LIC230019

Screening for appropriate assessment determination

On 12 March 2024 following screening by MARA under regulation 42 of the European Communities (Birds and Natural Habitats) Regulations 2011 (S.I. 477 of 2011), a determination was made that the proposed maritime usage referred to above requires an appropriate assessment. The determination was made on the basis of objective scientific information which indicated that it cannot be excluded that the proposed maritime usage individually or in combination with other plans or projects, will have a significant effect on a European site. A copy of the determination is available at [LIC230019 - MARA - The Maritime Regulator](#).

In considering this matter MARA had regard to the following:

- The screening for appropriate assessment report prepared by MARA;
- The environmental report prepared by MARA;
- The application documents submitted by Doyle Shipping Group which informed the screening for appropriate assessment.

Public Consultation

A Public Consultation will open shortly, at which time there will be an opportunity to make a submission(s) to MARA on the application. All information regarding the Public Consultation will be available on MARA's website at the following link:
