

PUBLIC NOTICE

The Maritime Area Planning Act 2021 and the European Communities (Birds and Natural Habitats) Regulations 2011

On the 14 December 2023 Microsoft Ireland Operations Limited applied to the Maritime Area Regulatory Authority (“MARA”) for a maritime usage licence (licence reference no LIC230017) under section 117 of the Maritime Area Planning Act 2021 (“the MAP Act”) to undertake marine environmental surveys for the purposes of site investigations for a proposed subsea fibre optic cable having a landfall in Kilmore Quay, County Wexford. On 1 July 2024, MARA determined to grant the licence for the marine environmental surveys for the purposes of site investigations, subject to conditions.

In connection with the above licence application and following a public consultation under section 117(6) (b) of the MAP Act, MARA carried out an appropriate assessment of the marine environmental surveys for the purposes of site investigations. On the 21 June 2024 MARA determined that the marine environmental surveys for the purposes of site investigations (either individually or in combination with any other plans or projects) would not adversely affect the integrity of any European Sites¹, in view of the European Sites’ conservation objectives, subject to the implementation of mitigation measures.

The appropriate assessment report and the appropriate assessment determination dated 21 June 2024 are available [LIC230017 - MARA- The Maritime Regulator.](#)
