RECITALS

- A. Part 5 of the Act provides for Licences authorising certain maritime usages in the maritime area to be granted by the Grantor.
- B. The Holder has applied for this Licence pursuant to section 117 of the Act.
- C. The Grantor has had regard to Schedules 5 and 7 to the Planning and Development Regulations 2001 and has decided that it is not necessary to carry out screening for environmental impact assessment in respect of the Permitted Maritime Usage.
- D. The Grantor, under Section 112 of the Act, is the competent authority for the purposes of Part 5 of the Act for the purposes of Part 5 of the European Communities (Birds and Natural Habitats) Regulations, 2011. The Grantor has carried out screening for appropriate assessment in respect of the Permitted Maritime Usage and has decided that appropriate assessment was required as it cannot be excluded on the basis of objective scientific information that the proposed activities, individually or in combination with other plans or projects, may have a significant effect on European sites.
- E. The Grantor has completed an Appropriate Assessment in respect of the Permitted Maritime Usage and has determined, that the activities (either individually or in combination with any other plans or projects) will not adversely affect the integrity of any European Sites, in view of the sites' conservation objectives, subject to the implementation of the mitigation measures adopted and outlined in the Appropriate Assessment.
- F. The Grantor has had regard to the matters specified in Section 121(2) of the Act.

2. INTERPRETATION

- 2.2 Any requirement in this Licence for the Holder not to do any act or thing includes an obligation not to permit or suffer such act or thing to be done and to use best endeavours to prevent such act or thing being done by another person.
- 2.3 To the extent that there is a conflict between this Licence and the applicable provisions of the Act, the interpretation of the Act shall prevail.
- 2.4 Any reference to a statute or a statutory instrument includes any amendments or re-enactments for the time being in force.
- 2.5 Unless the context requires otherwise, words in the singular may include the plural and vice versa.
- 2.6 Headings are inserted for convenience only and do not affect the construction or interpretation of this Licence.

3. GRANT OF LICENCE

- 3.1 This Licence is granted by the Grantor to the Holder pursuant to section 119(1)(a) of the Act.
- 3.2 This Licence permits the Holder to occupy and use the Licensed Area for the Term on a non-exclusive basis for the purpose of carrying out the Permitted Maritime Usage in accordance with the Conditions and the requirements of the Act.
- 3.3 This Licence does not confer on the Holder any estate or proprietary interest in the Licensed Area or any other part of the maritime area and for the avoidance of doubt the Grantor and/or any other State Persons

authorised so to do may at any stage during the Term grant maritime area consents or licences in respect of the Licensed Area.

4. COMMENCEMENT OF THE PERMITTED MARITIME USAGE

4.1 Notwithstanding the Commencement Date, the Holder shall not commence any activities, operations, works or development associated with the Permitted Maritime Usage in the Licenced Area unless and until:

- (i) the Holder has complied with all Pre-Commencement Conditions; and
- (ii) the Holder has provided the Grantor a minimum of 14 days advance notice in writing of the Holder's intention to commence the Permitted Maritime Usage in the form and manner as set out in Appendix 3, unless otherwise agreed with the Grantor. This notification shall include an up to date Programme of Works for the completion of the Permitted maritime usage.

5. COMPLIANCE WITH THIS LICENCE AND THE ACT

5.1 The Holder shall not use the Licensed Area for any purpose other than the Permitted Maritime Usage.

5.2 The Holder shall ensure that its contractors, and their subcontractors, are made aware of all Conditions.

6. SPECIFIC CONDITIONS

6.1. The Holder shall comply with the Specific Conditions.

6.2. If the Holder becomes aware that the Permitted Maritime Usage authorised by this Licence does not comply with the Specific Conditions the Holder shall immediately:

- (i) notify the Grantor in writing with particulars of the non-compliance; and
- (ii) unless the Grantor otherwise agrees in writing, take all reasonable and timely steps to ensure that the Permitted Maritime Usage is undertaken in accordance with the Specific Conditions and that any adverse consequences of not complying with the Specific Conditions are rectified to the satisfaction of the Grantor as soon as reasonably possible.

7. CHANGE IN CIRCUMSTANCES

7.1 The Holder shall provide the Grantor with notice in writing of any material change of circumstances within the meaning of section 136 of the Act.

8. INDEMNITY

8.1 The Holder shall keep the Grantor, the State Persons, and their officers, servants, visitors, agents and employees fully indemnified from and against all or any actions, proceedings, claims, demands, losses, costs, fees, expenses, damages, penalties and other liabilities:

- (i) arising directly or indirectly from the undertaking of the Permitted Maritime Usage the subject of this Licence; and
- (ii) arising directly or indirectly from a failure by the Holder to comply with:
 - a) a Condition;

- b) a condition deemed to be attached to this Licence in accordance with the Act;
- c) any provision of the Act relevant to this Licence;

8.2 Without prejudice to the generality of the foregoing, the Holder shall make good all loss sustained by the Grantor in consequence of any breach by the Holder of any Conditions.

9. **INSURANCE**

9.1 Without prejudice to the Holder's liability to indemnify the Grantor, the Holder shall:

- (i) effect and keep in force a public liability insurance policy of indemnity in the joint names of the Grantor and the Holder in an insurance office licensed to operate in the State Territory with a limit of € 6,500,000.00 (six million five hundred thousand euro) in respect of any one claim or a series of claims arising out of a single occurrence for any damage, loss or injury which may occur to any property (not being the property of the Grantor or the Holder) or to any person by or arising out of the admission of any person to the Licensed Area, and to extend such policy so that the Grantor is indemnified by the insurers in the same manner as the Holder;
- (ii) effect and keep in force an employer's liability insurance policy of indemnity in the name of the Holder in an insurance office licensed to operate in the State Territory with a limit of €13,000,000.00 (thirteen million euro) for any one claim or a series of claims arising out of a single occurrence and to extend such policy so that the Grantor is indemnified by the insurers in the same manner as the Holder in respect of all actions, costs, proceedings, losses,

damages, or claims for personal injuries by employees of the Holder. This policy should include an indemnity to principles clause with a specific indemnity to the Grantor;

- (iii) whenever required to do so by the Grantor, produce to the Grantor for inspection the said policy or policies together with the latest receipt of the premium paid for renewal of the said policy or policies together with evidence of waiver of subrogation rights against the Grantor by the Holder's insurers, and to comply with all conditions pertaining to any such policy or policies;
- (iv) not do or omit to do anything which might cause any policy of insurance (if required) relating to the Licensed Area or any other part of the maritime area affected by the Permitted Maritime Usage to become void or voidable, wholly or in part, nor (unless the Holder has previously notified the Grantor and the Holder has agreed to pay the increased premium) to do anything whereby any abnormal or loaded premium may become payable;
- (v) immediately notify the Grantor in writing of the making of any claim under any policy of insurance and to provide the Grantor with all information in relation to any such claim;
- (vi) ensure that any contractors, servants, agents, invitees or visitors of the Holder engaged in connection with activities in the Licenced Area or otherwise in connection with this Licence have appropriate insurance and that all copies of such insurance policies shall be provided to the Grantor as soon as is reasonably practicable;

10. RIGHTS AND OBLIGATIONS OF THE LICENCE HOLDER ON TERMINATION OR EXPIRY OF THE LICENCE

10.1. The Holder shall remove all plant, machinery, equipment or any other thing used in connection with the Permitted Maritime Usage from the Licensed Area (or if applicable from any other part of the maritime area) and restore the Licensed Area (and if applicable any other part of the maritime area) to the condition it was prior to the commencement of the Permitted Maritime Usage to the satisfaction of the Grantor.

11. FORCE MAJEURE

11.1. Except as otherwise provided by this Licence, the Holder is rendered wholly or partially incapable of performing all or any of its obligations under this Licence or the Act, by reason of Force Majeure:

- (i) as soon as is reasonably practicable, the Holder shall notify the Grantor, identifying the nature of the event, its expected duration and the particular obligations affected and shall furnish reports at such intervals reasonably requested by the other party during the period of Force Majeure;
- (ii) this Licence shall remain in effect but the Holder's obligations, except for an obligation to make payment of money shall be suspended, provided that the suspension shall be of no greater scope and no longer duration than is required by the Force Majeure;
- (iii) the Holder shall use all reasonable efforts to remedy its inability to perform all or any of its obligations under this Licence by reason of Force Majeure and shall do all things reasonably practicable to mitigate the consequences of the Force Majeure and shall resume

full performance of its obligations under this Licence as soon as is reasonably practicable;

12. INSPECTIONS

12.1 The Holder of a licence shall facilitate and shall not obstruct the Grantor in:

- (i) entering the Licenced Area for the purpose of enabling the Grantor to carry out inspections (including periodic inspections) for the purposes of ascertaining whether or not subparagraph (ii) applies,
- (ii) entering the Licensed Area if the Grantor gives the Holder notice in writing that the Grantor is satisfied that the Holder has materially contravened:
 - (a) a Condition;
 - (b) a condition deemed to be attached to a Licence in accordance with the Act;
 - (c) a provision of this Act relevant to this Licence.

13. EXERCISE OF RIGHTS

13.1. Save as may be permitted under this Licence, the Holder shall exercise this Licence in such a manner as to cause no damage or injury to the Licensed Area, any occupants of the Licensed Area and any other part of the maritime area affected by the Permitted Maritime Usage and to forthwith from time to time with due diligence repair and make compensation for any such damage or injury that may be so caused.

14. NOTICES

- 14.1. Any notice to be given by the Holder under this Licence shall either be sent by registered post or by email.
- 14.2. Where the notice is sent by registered post, the notice shall be furnished or sent to the address of the Grantor as contained in the Particulars Schedule.
- 14.3. Where the notice is delivered by email, it shall be issued to the e-mail address of the Grantor as contained in the Particulars Schedule.
- 14.4. All notices shall be deemed to have been served as follows:
- (i) if posted by registered post, at the expiration of 48 hours after the envelope containing the same was delivered into the custody of An Post (and not returned undelivered);
 - (ii) if communicated by email, on the next calendar day following transmission.

15. AMENDMENTS TO THIS LICENCE

- 15.1. Section 125 of the Act shall apply to any application by the Holder to amend this Licence.

16. SURRENDER

- 16.1. Sections 126 and 127 of the Act shall apply to any application by the Holder to surrender this Licence.

17. AUTOMATIC TERMINATION

17.1. Without prejudice to any other remedies available pursuant to this Licence and at law, this Licence shall terminate immediately upon the occurrence of any of the events provided for in section 144(1) of the Act.

18. TERMINATION FOR BREACH

18.1. Without prejudice to any other remedies available pursuant to this Licence and at law, the Grantor may terminate this Licence for breach in accordance with section 144A of the Act.

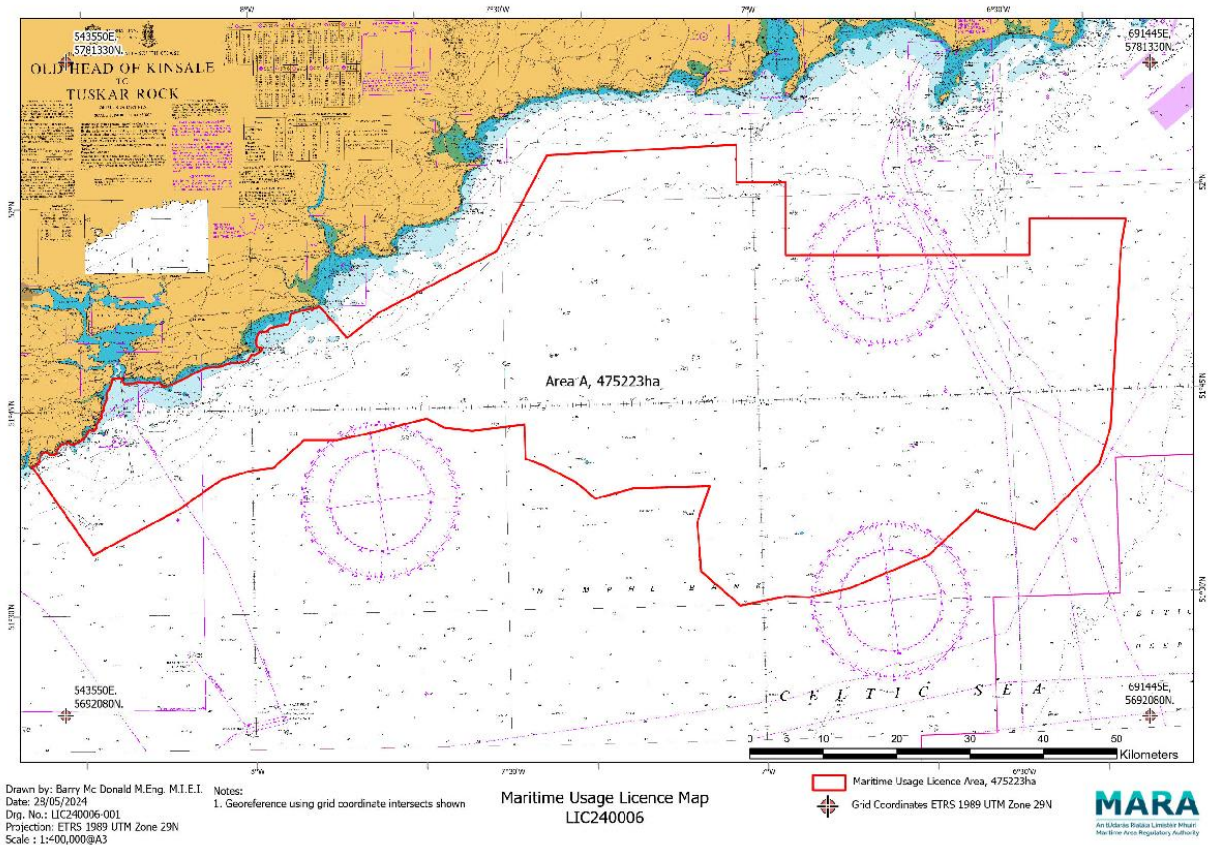

19. GOVERNING LAW AND JURISDICTION

19.1. This Licence and all other documents relating to it shall be governed by and construed only in accordance with the laws of the Republic of Ireland.

APPENDIX 2

SPECIFIC CONDITIONS

1. The Permitted Maritime Usage shall be carried out in accordance with the plans and particulars submitted by the Holder in support of the application for this Licence.
2. This licence is for the purposes of licensing under the Act, as amended, and nothing in this licence shall be construed as negating the Holders statutory obligations or requirements under any other enactments or regulations.
3. Prior to the commencement of the Permitted Maritime Usage the Holder shall consult and comply with the requirements of the Underwater Archaeology Unit of the Department of Housing Local Government and Heritage. National Monuments Service, G37, Custom House, Custom House Quay, Dublin 1, D01 W6X0.
4. Prior to the commencement of the Permitted Maritime Usage the Holder shall, through consultation and agreement with the Department of Transport, Marine Survey Office and Commissioners of Irish Lights, arrange for the publication of a Marine Notice through the Maritime Safety Policy Division. Navtext and radio broadcast warnings frequency to be agreed with the Irish Coast Guard.
5. The Holder shall not damage or interfere with any third party's property or infrastructure while conducting the Permitted Maritime Usage.
6. Prior to commencement, and for the duration, of the Permitted Maritime Usage the Holder shall employ a Fisheries Liaison Officer to consult with and fully inform relevant fishers in order that interactions with ongoing fishing activities in the area are minimised during the course of the Permitted Maritime Usage.

7. While conducting the Permitted Maritime Usage the Holder shall not interfere with any fishing gear or obstruct any fishers or fishing vessels engaged in fishing.
8. The Holder shall ensure that all vessels engaged in this Permitted Maritime Usage conform to Irish Certification standards for vessels, as required by the Marine Survey Office.
9. The Holder shall ensure that all vessels used in this Permitted Maritime Usage take all reasonable practical measures to ensure they are free of invasive marine species on their hulls and in their ballast water.
10. The Holder shall carry out a maximum of 80 grab samples (using either Day or Hammon grabs) during the survey period covered by this Permitted Usage Licence.
11. Marine Mammals
 - i. The Holder shall appoint a marine mammal observer for the purposes of overseeing the activity. The Holder shall ensure the marine mammal observer shall satisfy the requirements of National Parks and Wildlife Service guidance.
 - ii. The Holder shall implement risk control and mitigation measures for marine mammals in strict accordance with National Parks and Wildlife guidance.
 - iii. The Holder, upon completion of the Permitted Maritime Activity, shall forward all reporting to offshore@npws.gov.ie and enforcement@mara.gov.ie.

12. Birds

Where the Holder observes significant clusters of birds, actively fishing and/or diving, within 500m of the survey vessel, in carrying out the Permitted Maritime

Usage, the survey route shall be altered to maintain a 500m buffer from the birds. Appropriate records must be retained by the Holder.

13. Fisheries

The Holder shall utilise the “Sparker” system, as described in the plans and particulars of the application as submitted by the Holder in preference to the airgun system when carrying out sub-surface geology data collection. The airgun shall only be used on occasion when it is not possible to use a sparker to collect data to the required depth of up to 100m. Appropriate records must be retained by the Holder.

14. In-combination effects

- i. The Holder shall coordinate with other authorisation holders within a 24km radius of the site boundary to ensure that no temporal overlap occurs between projects in respect of geophysical, seismic and geotechnical activities.
- ii. Where the Holder becomes aware of temporal overlap that cannot be resolved, the Holder shall notify the Grantor who shall determine the timing of activities.

15. On completion of the activity, the Holder shall provide the United Kingdom Hydrographic Office (UKHO) at hdc@hdc.hydro.gov.uk with the final bathymetric data from this Permitted Maritime Usage so that the appropriate charts can be updated.

16. The Holder, upon completion of the Permitted Maritime Activity, shall submit details of all acoustic surveys undertaken in accordance with this licence to Marine Environment, Department of Housing, Local Government and Heritage at marine.env@housing.gov.ie. This data shall be provided in the reporting format of the OSPAR Impulsive Noise registry.

17. The Holder shall keep the following documents together and available for inspection by the Grantor:

- i. a copy of the licence related to this Permitted Maritime Usage;
- ii. all correspondence with the Grantor;
- iii. up to date drawings, plans and maps relating to the Permitted Maritime Usage;
- iv. documents and photographs as may be reasonably requested by the Grantor from time to time;
- v. marine positional log; and,
- vi. any elements of the licence application and associated documentation referenced in this licence.

18. Accidental events

The Holder shall ensure that there is an oil pollution emergency plan on-board any

survey vessels. This plan should specify:

- i. Information on the location and detail of spill response resources on-board;
- ii. Information on crew training in relation to oil pollution response;
- iii. How crew will interface with other site investigations operators where applicable.
